

Dig-In:

What is this book?

Our goal is to provide a text that students will read.

Each chapter consists of three distinct parts:

- A title page with learning outcomes listed.
- A “Break-Ground” where we find a hypothetical dialogue between two students. This section is designed to create an “intellectual need” for the content that will be discussed later in the chapter.
- One or more “Dig-In” sections that contain the content of the section.
